Dear Students,

It has been brought to the notice of the College Administration that there are instances and indications of planned agitations or protests within the campus premises.

This is to firmly remind all students that while the institution respects the right to express opinions in a constructive and responsible manner, any form of agitation, disruption of academic activities or damage to College property will be viewed as a serious violation of the College's Code of Conduct.

All students are hereby strictly warned that any involvement – direct or indirect - in protests, demonstrations or any activity that disrupts the normal functioning of the College will invite strict disciplinary action. This may include

- Suspension
- Expulsion and / or
- Legal proceeding

depending on the severity of the misconduct. Students are also warned against activities like social media posts intended to tarnish the image of the Institution.

We urge students to utilise official channels for voicing their concerns and to maintain the discipline and decorum of our Institution.

Let us all work together to ensure a safe, respectful and academically focused environment in The New College campus.
